Dear Mr. Manley:

I am writing
you at this time to let you know I am very
grateful to you for your proposition concerning Geo.
Amis. I will forward you the amount stated
in your previous letter, that is \$5 a week for about
3 wks.

The reason for just writing now is because
you stated that you would let me know after
the meeting last month when you would leave
for the South. As you know it takes a few
days to get ready for such a journey, and I would
appreciate it very much if you could let me know
in the very near future of your plans.

Thanking you again for your kindness
in the matter and hoping your team have a successful
season I remain

Yours in sport ~ Jack F. Duke
